Introduction to Digha :

Digha is West Bengal’s most popular sea resort and tourist spot located south west of Calcutta. It is

187 km from Calcutta and described as the Brighton of the East. Digha has a low gradient with a shallow sand beach and gentle waves. The beach extends 8 kms in length.

The scenic beauty of this place is charming and luring. The beach is complemented with casuarinas plantations along the coast enhancing the beauty of this place. These trees apart from beautifying the sands also aid in reducing the erosion on the dunes. One can view both sunrise and sunset at Digha sea beach. The sea at Digha is calm and shallow for about a mile from the beach making it quite safe for swimming.
